

Framsden Parish Council

Statement of Internal Control 2023/24

Scope of Responsibility

Framsden Parish Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively. The Council is responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

Under the Finance and Audit Regulations, the Council must carry out a review of its internal controls on a regular basis to ensure their effectiveness and to consider the findings of the review.

Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

Internal Control Environment

The Council reviewed its obligations and objectives and approved a budget and set a precept for 2023/24 at its meeting on 12th January 2023. The Council comprises seven Members and has therefore sought to fill vacant seats throughout the year. Members are summoned to attend six full Council meetings during the year when progress against its aims and objectives are reviewed by receiving reports from the Parish Clerk. The Council monitors its income and expenditure against the agreed budget at each meeting and reviews a reconciliation of its bank accounts at Unity Trust Bank on a regular basis. Reviews of internal controls, systems and procedures are carried out at regular intervals.

The Parish Clerk is the Responsible Financial Officer, acts as the Council's advisor, administers the Council's finances and advises on day to day compliance with laws and regulations and the management of risk.

All payments are reported to the Council for approval. Two Members of the Council are required to sign the payment schedule, which is then actioned through dual authorisation of online payments. All receipts and payments have the benefit of supporting documentation which is retained by the Responsible Financial Officer. Each item of expenditure identifies the power used by Council and is supported in the relevant meeting's minutes.

All income received is banked in the Council's name in a timely manner and reported. Recoverable VAT is claimed from HMRC by the Responsible Financial Officer at regular intervals.

The Council reviews its risk assessment and its systems and controls at regular intervals. The Council appointed an independent internal auditor at its meeting on 12 May 2022 to report to the Council on the adequacy of its systems, records, regulations, procedures, internal control and risk management in 2022/23.

The Responsible Financial Officer did not refer the Council's accounts to the external auditor at the end of the year during the audit process for 2021/22 as the required thresholds had not been met.

Review of Effectiveness

The Council has responsibility for conducting an annual review of the effectiveness of the system of internal control and to approve the Statement on Internal Control.
